

Intervaly dělíme na:

**čisté** (č) = prima (1), kvarta (4), kvinta (5), oktáva (8)

**velké** (v) = sekunda (2), tercie (3), sexta (6), septima (7)

malé intervaly odvozujeme od velkých

V durové stupnici jsou (měřeno od 1. stupně k ostatním) pouze intervaly čisté a velké:

A musical staff in treble clef showing the intervals between the notes of a major scale. The notes are placed on the lines and spaces of the staff. Below each pair of notes, the interval is labeled with a symbol and a number: č1 (unison), v2 (major second), v3 (major third), č4 (major fourth), č5 (major fifth), v6 (major sixth), v7 (major seventh), and č8 (octave).
